ASPE South Florida Heads to Oklahoma City!

The ASPE South Florida Chapter is excited to be well represented at the 2026 ASPE Convention & Expo in Oklahoma City, October 8-14! Chapter leaders Davis Erickson, President; Elvira Pita-Meja, VP Technical; Scott Smith, VP Membership; Kyle Stottlemeyer, Treasurer; Freddy Hernandez, Affiliate Liaison; and Vanessa Londono, Administrative Secretary will proudly serve as delegates during the Convention's business meetings. As delegates, they have the important responsibility of representing the voice and interests of our South Florida membership, participating in discussions and decisions that help shape the future of ASPE, and advocating for the needs and priorities of our chapter. We thank them for volunteering their time to represent ASPE South Florida on the national stage and look forward to bringing new ideas, connections, and inspiration back home!

THANK YOU, EMILIO & WELCOME, RYAN!

Celebrating the Past and Looking Forward to the Future

The **ASPE South Florida Chapter** would like to extend a heartfelt **thank you to Emilio Sorondo from Harry Warren** for his dedication and hard work as our Newsletter Editor. Emilio has generously given his time, creativity and talent to keep our members informed, connected and engaged. His efforts have helped share the people, events and accomplishments that make our chapter so special.

Emilio, thank you for everything you have done for our chapter. You will truly be missed, and we wish you continued success in all your future endeavors!

We are also excited to **welcome Ryan Haltiwanger from Cagle Sales as our new Newsletter Editor!**
Ryan is stepping into an important role in helping us continue to tell the story of our chapter and keep our members up to date on upcoming events, industry news and the many opportunities within ASPE. We are grateful to Ryan for volunteering his time and taking on this responsibility, and we look forward to the fresh ideas and energy he will bring to our newsletter.

Please join us in saying thank you to Emilio and welcome to Ryan!

ASPE American Society of Plumbing Engineers SOUTH FLORIDA

President's Message

DAVID ERICKSON

LEADERSHIP · CONNECTIONS · OPPORTUNITY

Greetings Members,
Here we go!!!!!!!!! The start of a new year for ASPE S FL and we had a great turn out for the September meeting at American Social in Boca Raton with Maria and Michael at MIFAB presenting.

This month we will be heading back to Doral at Famous Dave's BBQ 8210 NW 36th St, Doral, FL 33166 with Jim Cika presenting on changes to the 2026 Florida Building Code (9th Edition)-Plumbing. Networking starts at 6 pm and the technical meeting starts at 7 pm, to sign up and reserve your seat and dinner use the below hyperlink.

https://aspemiamichapter.starchapter.com/meetinginfo.php?id=93&ts=1789767808

DAVID ERICKSON
PRESIDENT

"Together we build a stronger chapter and a brighter future."

SPECIAL ACKNOWLEDGEMENTS

I want to tip my that to the entire BOD of the ASPE S FL Chapter for their continued support, drive, enthusiasm, and devotion to the engineering community. The behind-the-scenes efforts that they all display is not only a number 1 to any other chapter of ASPE, we are operating like a well-oiled machine and continue to plow forward with amazing effort. Please make time to thank Elvira, Scott, Kyle, Vanessa, Freddy, Rollie for what they do daily.

Manufacturers play a vital role in supporting our chapter, they provide extremely helpful, and knowledgeable representatives, they provide financial support so to have these types of events.

NEW MEMBERS

Below are our new members that have joined over the past 30-60 days, please take time to speak with them at our next meeting to get to know them better.

- Maria Lugo with MEPTech Solutions LLC
- David Martinez
- John Langford PE. at JWL Engineering
- Shivanna Bidaisee
- Seth Sekyere

Our Chapter is constantly looking for individuals to help us to become bigger, better, stronger, and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Thank you for reading and feel free to reach out to me or any of our BOD if you have any questions or know of someone who is interested in joining the chapter and may need help to navigate through the process.

VP TECHNICAL SPOTLIGHT

OCTOBER 2026

ELVIRA PITA-MEJIA

Vice President Technical
ASPE South Florida Chapter

Sharing Knowledge, STRENGTHENING OUR CHAPTER

One of the things I value most about ASPE is that no matter how long we have been in this industry, there is always something new to learn—and always something we can learn from each other.

As VP, Technical, one of my goals is to make sure our monthly General & Technical Meetings continue to provide meaningful educational opportunities for our members. Our industry is constantly changing, whether through new codes, products, technologies, design practices, or solutions to the challenges we encounter every day.

ASPE recognizes educational programs that help advance and broaden our technical knowledge and job skills in plumbing design and engineering. Topics can cover everything from potable and domestic hot water systems, sanitary and storm drainage, medical gases, fire protection, water treatment, and laboratory systems to equipment selection, specifications, cost estimating, and much more.

But great education starts with people who are willing to share what they know.

HAVE SOMETHING TO SHARE?

WE ARE LOOKING FOR SPEAKERS

FOR OUR UPCOMING GENERAL & TECHNICAL MEETINGS!

If you have a technical topic, case study, code update, new technology, or industry experience that could benefit our members, please reach out to me. I would love to hear your ideas and help you turn them into an educational presentation for our chapter.

OCTOBER TECHNICAL MEETING

STAYING AHEAD OF THE CODE

With the **2026 Florida Building Code (9th Edition)** bringing important changes to our industry, staying informed and prepared is essential. This makes our October Technical Meeting especially timely, and I am excited to welcome Jim Cika, Director of PMG Technical Resources for the International Code Council (ICC), as our featured speaker.

Jim will present "Changes to the 2026 Florida **Building Code (9th Edition)** – Plumbing," giving our members an opportunity to learn directly from an ICC technical expert about the plumbing-related changes coming with the new edition of the Florida Building Code.

Please join us for what promises to be an informative and valuable technical session.

MIFAB®

MIFAB® HDPE Interceptors Now Approved in

MIAMI-DADE COUNTY

Trusted 99% efficiency.

Officially listed for DERM compliance.

MIFAB's® full line of "-99" HDPE grease interceptors are now officially approved by the Miami-Dade County Department of Environmental Resources Management (DERM). These units are engineered to provide high performance and compliance for a wide range of food service applications. From smaller kitchens to large operations, with all models meeting stringent grease removal and durability requirements.

SCAN FOR ALL OF OUR
MIAMI DERM APPROVED MODELS

MIFAB offers a full spectrum of sizes ranging from the LIL-35-99 to the SUPER-1500-99

Each model is built of seamless, rotationally molded HDPE with a uniform 3/8" wall thickness, includes pickable ductile iron H-20 rated lids (proof load tested to 40,000 lb) for watertight and gastight sealing, and is designed for both above- and below-ground installation.

Lil Max BIG MAX SuperMax

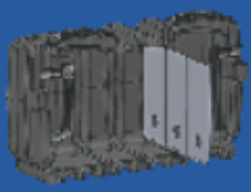

BIG-1150-99

FLOW RATING: 75 GPM
GREASE HOLDING CAPACITY: 1,811 lbs.

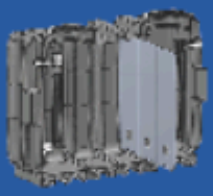

SUPER-500-99

FLOW RATING: 100 GPM
GREASE HOLDING CAPACITY: 3,356 lbs.

SUPER-1000-99

FLOW RATING: 100 GPM
GREASE HOLDING CAPACITY: 7,615 lbs.

SUPER-1500-99

FLOW RATING: 100 GPM
GREASE HOLDING CAPACITY: 10,380 lbs.

Increased Capacities.
Increased Confidence.

MIFAB's® -99 Series interceptors deliver larger grease capacities and long-term reliability

Now officially listed for Miami-Dade.

NEWSLETTER
OCTOBER, 2026

VP MEMBERSHIP CORNER

The Bring One Initiative
Invite. Connect. Grow ASPE.

As we look ahead to another great year with ASPE South Florida, we'd like to try something simple: **The Bring One Initiative.**

The idea is easy: bring one person with you to an ASPE meeting who isn't currently an ASPE member.

Think about the people you work with every day: a plumbing engineer, designer, contractor, architect, young professional, or someone new to the industry who could benefit from getting connected.

You don't have to "sell" them on joining ASPE. Just invite them to come to a meeting, enjoy a good meal, meet some great people, and see what ASPE is all about. We'll take them from there.

Our chapter has a lot to offer such as technical education, CEUs, professional development, networking, mentoring, industry connections, and, just as importantly, friendships with people who work in the same industry.

Our goal is simple: if each of us brings just one new person into the ASPE South Florida family, we can make a meaningful difference in the strength and future of our chapter.

So, start thinking about who your "one" might be. Give them a call, send them a text, or simply ask them to join you at our next meeting.

Bring One | **Introduce Them** | **Make a Connection** | **Help Grow ASPE South Florida**

We look forward to seeing you and hopefully a few new faces at the next meeting!

Together We Grow!

MEMBERS MAKE ASPE STRONGER.

SCOTT SMITH

Keeping Our Chapter

CONNECTED & ORGANIZED

VANESSA LONDOÑO

CORRESPONDING & ADMINISTRATIVE SECRETARY

Vanessa Londono serves as our Chapter Corresponding and Administratice Secretary, helping to keep our membership informed, connected, and engaged through clear and consistent communication.

A MESSAGE FROM VANESSA

As we continue supporting education, networking, and professional growth within our industry, below are several events taking place during October 2026 that may be of interest to engineers, contractors, sales representatives, manufacturers, and other professionals in the plumbing and construction community.

- **ASPE International**
  - Event: ASSE 2800 Working Group Meeting
  - When: Thursday, October 1, 2026
  - Where: Virtual
  - Time: 12:30 PM – 2:00 PM Central Time
  - Link: https://asse-plumbing.org/news/events
- **LBA – Latin Builders Association**
  - Event: October Membership Cocktail
  - When: Thursday, October 8, 2026
  - Where: Gaggenau Miami Showroom, Miami Design District, Miami, FL
  - Time: 6:00 PM – 9:00 PM
  - Link: https://www.waborg.com/events-1
- **ABC – Associated Builders and Contractors, Florida East Coast Chapter**
  - Event: Business Development Night on 2nd Tuesday
  - When: Tuesday, October 13, 2026
  - Where: Bay 13 Brewery, 65 Alhambra Plaza, Coral Gables, FL
  - Time: 5:30 PM – 7:30 PM
  - Link: https://abcoastflorida.com/events-calender/list/
- **ABC – Associated Builders and Contractors, Florida East Coast Chapter**
  - Event: 2026 Excellence in Construction Awards Banquet
  - When: Friday, October 30, 2026
  - Where: The Diplomat Beach Resort, 3555 S Ocean Drive, Hollywood, FL
  - Time: 6:00 PM – 10:00 PM
  - Link: https://abcoastflorida.com/events-calender/list/

I encourage our members to explore these opportunities, continue learning, and connect with professionals throughout the plumbing, mechanical, engineering, architectural, and construction industries.

Constellation™ Lavatory System

Specification, installation, and maintenance made easy.

Compact Boosting Pump

GRUNDFOS **CMBE TWIN**

The Grundfos CMBE Twin is a booster pump for water supply and commercial boosting applications. The CMBE Twin Booster system consist of two CMBE pumps connected in parallel and mounted on a base plate with a Grundfos built manifold. The CMBE pumps will alternate to ensure the same number of operating hours until high flow is needed, and the pumps will run together.

The CMBE twin offers constant pressure and high comfort thanks to the variable-speed motor, noiseless operation and built-in protection against dry running. A pressure sensor monitoring the discharge pressure allows for the CMBE twin to adjust motor speed or signal for the second pump to start, adapting to changing system demands.

The integrated speed control enables the CMBE to maintain a constant pressure in the pipe system and offers a solution for a variety of applications such as:

- Apartment buildings
- Schools
- Small hotels
- Office buildings

KEY FEATURES AND BENEFITS

- Cascade control - ensures that pump two starts in case high flow is needed
- Pump alternation - keeps operating hours even between the pumps
- Multi-Master - both pumps can be the control unit
- Dry running protection
- Grundfos manufactures all CMBE Twin components
- All-in-one solution including pump, motor, tank, pressure and flow sensor, controller, check valve, fuse box, base plate and manifold
- High efficiency ECM motor
- Available in three different CMBE sizes
- Available in both 1x115V and 1x200-240V
- Communication capable with CIM cards
- Wireless communication between the two CMBE pumps
- Low noise (57dB or less in typical use)

APPLICATIONS

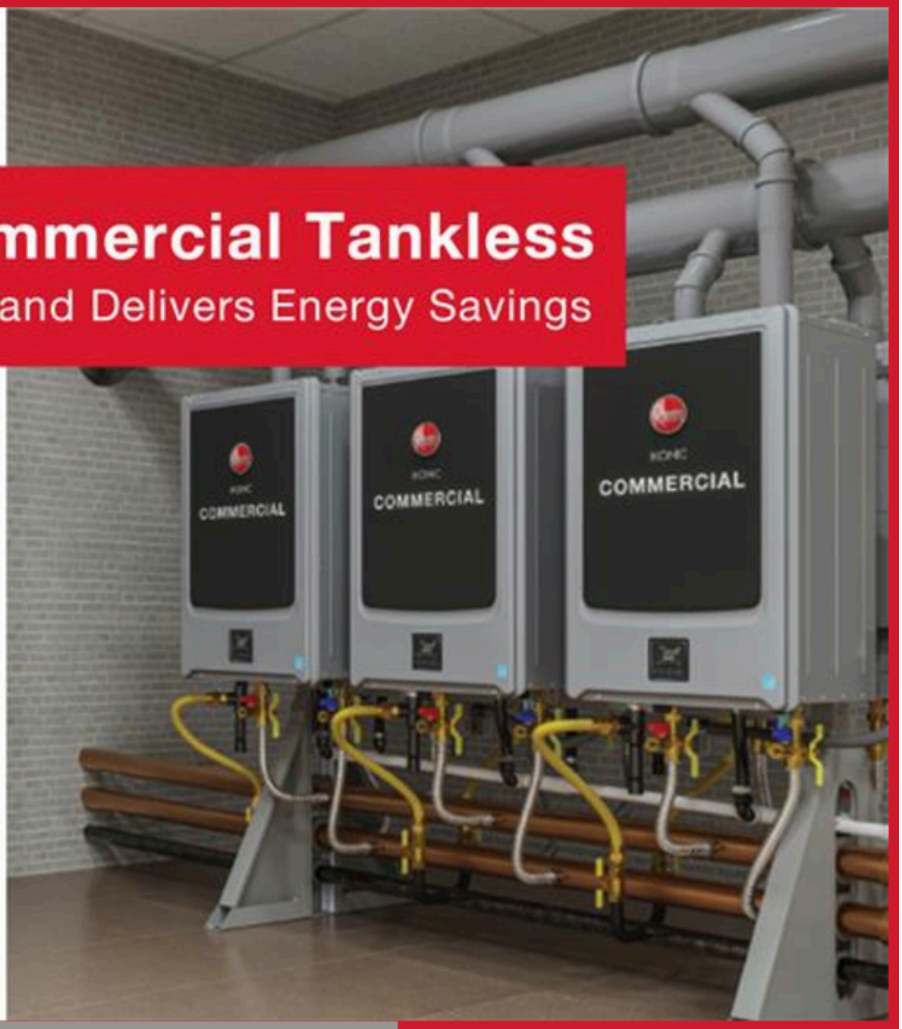

- Residential and commerical boosting
- Water supply from wells
- Irrigation
- Domestic fire suppression

Rheem Commercial

Rheem® IKONIC Commercial Tankless

Provides Installation Flexibility and Delivers Energy Savings

- Versatile Venting Materials
- Manifold up to 32 Units
- Pre-Built or Build on Site Rack Options
- Common Vent Length up to 170’
- Conversion Kit Available for Outdoor Applications
- 98% Thermal Efficiency

Women of ASPE Member

Angela has joined the ASPE South Florida Chapter team as our new **Social Media & Website Administrator**, helping us strengthen the way we communicate, connect, and share everything happening within our chapter.

Professionally, Angela is a **Plumbing Designer with KAMM Engineering**, bringing her industry knowledge and creativity to the plumbing engineering community. Her experience as a designer gives her a valuable perspective on the people, projects, and ideas that make our profession so dynamic.

CONNECTING OUR CHAPTER—ONE POST AT A TIME

Today, our website and social media platforms are much more than places to post announcements. They help us celebrate our members, promote educational opportunities, recognize industry partners, welcome new faces, and keep our community connected between meetings and events.

Angela will help bring those stories to life and make sure our members and industry colleagues stay informed about what is happening throughout ASPE South Florida.

WOMEN OF ASPE: JOIN US IN OKLAHOMA CITY

Heading to the 2026 ASPE Convention & Expo in Oklahoma City? Don't forget to add the Women of ASPE Leadership Forum to your plans!
Join WOA on Friday, October 9, from 8:00 a.m.–5:00 p.m. at the Oklahoma City Convention Center for a day of connection, professional growth, and leadership. Meet and learn from women throughout the plumbing industry while building relationships that extend well beyond the Convention.
Advance registration and an additional fee are required, so be sure to include the WOA Leadership Forum when making your Convention plans.
We hope to see ASPE South Florida well represented in Oklahoma City!

Please join us in welcoming Angela Reyes to Women of ASPE and thanking her for sharing her talents with the ASPE South Florida Chapter.

Together,
Elvira Pita-Mejia

NEWSLETTER

OCTOBER, 2026

EDUCATION CORNER

INVESTING IN KNOWLEDGE. BUILDING A STRONGER TOMORROW.

Welcome to October! As we settle into the 2026-2027 chapter year, our focus remains on helping you advance your technical expertise, stay compliant with evolving codes, and achieve your professional development goals.

Staying Ahead of Code Changes

With the 2026 Florida Building Code (9th Edition) now taking center stage, understanding the latest plumbing updates is crucial for active design projects and code compliance. Be sure to attend our October 7th Technical Meeting for an in-depth look at these code shifts and how they impact your designs. Here's information on upcoming events.

Upcoming Events

October 7, 2026
General & Technical Meeting
Famous Dave's
8210 NW 36th St, Doral, FL 33166
Changes to the 2026 Building Code (9th Edition), Plumbing
October 8-14, 2026
ASPE Convention & Expo
Oklahoma City, OK
National convention and Expo
Nov 13, 2026
6th Annual Sporting Clay Shoot
Quali Creek Sporting Ranch, Okeechobee
A day of fun, food, and friendly competition

As plumbing technology and codes evolve, keeping your knowledge sharp is key to engineering safe, sustainable, and resilient infrastructure. As your Education Chair, my goal is to ensure you have direct access to the tools and credentials you need to succeed.

If you have questions or want to share hot topics that might interest our viewers, please email me at kylestottelmeyer@gmail.com.
Thank you for taking the time to read each month's articles.

Best Regards,
Kyle Stottelmyer
Education Chair

KYLE STOTTLEMYER
Education Chair

"Education is the foundation for progress in our industry."

EDUCATION PROVIDES:

KNOWLEDGE
Stay current with codes, teknologies, and best practices.

PROFESSIONAL GROWTH
Develop skills that advance your career.

CONTINUING EDUCATION
Earn CEUs and pursue CPD & CPDT credentials.

CONNECTIONS
Learn from industry experts and collaborate with peers.

AFFILIATE LIAISON UPDATE

Connecting our industry. Supporting our chapter. Growing together.

BUILDING RELATIONSHIPS BEYOND THE MEETING ROOM

Stronger Connections, Greater Impact

Asweцontinue through the2026-2027 chapter year, one ofmy prioritiesas Affiliate Liaison is to strengthen the connection between our affiliates and the plumbing engineering community. Our chapter grows when manufacturers, representatives, engineers, designers, contractors and industry partners have meaningful opportunities to learn from one another and build lasting relationships.

I encourage our affiliate members to stay involved by attending chapter meetings, supporting educational programs and participating in the events that bring our industry together. Your presence, knowledge and partnership help create stronger programs for our members while keeping our South Florida plumbing community connected.

CLAY SHOOT SPONSORSHIPS ARE NOW OPEN

EVENT DATE: NOVEMBER 13

The Clay Shoot is a great opportunity to showcase your company, support the chapter and connect with professionals from across our industry in a relaxed and engaging setting. Sponsorship opportunities are available now. We invite our affiliate partners to get involved and help make this event a success.

Freddy Hernandez | Affiliate Liaison

Building Bridges.

STRENGTHENING OUR CHAPTER

Our Chapter Ambassador, **Rollie Rivera**, plays a vital role in connecting people, ideas and opportunities. Through his outreach and engagement, Rollie helps strengthen our relationships with members, industry partners and the broader ASPE community.

ROLLIE RIVERA
CHAPTER
AMBASSADOR

CONNECTING PEOPLE. CREATING OPPORTUNITIES.

SEPTEMBER CHAPTER MEETING

The ASPE South Florida Chapter welcomed MIFAB to American Social in Boca Raton for an evening focused on grease interceptor systems, specification, and the real-world considerations that go into designing effective plumbing systems.

PRESENTATION HIGHLIGHTS

Michael Whiteside, President of MIFAB, and Maria Saenz, South Florida Interceptor Specification Manager, participated in the evening's presentation. Maria led an engaging and interactive discussion on grease interceptor systems, keeping attendees involved throughout the presentation with questions and open conversation. Rather than a traditional technical presentation, the format encouraged participation and the exchange of ideas.

WHY THESE MEETINGS MATTER

These meetings provide a valuable opportunity for engineers, manufacturers, wholesalers, and other industry professionals to come together. They create an opportunity to share knowledge, discuss challenges, and strengthen the relationships that move our industry forward.

THANK YOU

A sincere thank you to Michael, Maria, MIFAB, and everyone who joined us at American Social in Boca Raton and helped make the evening a success.

Best regards,
Rollie R. Rivera
Chapter Ambassador

BIRTHDAYS & ANNIVERSARIES

TO OUR AMAZING MEMBERS!

Same Profession, Brighter Together

We're grateful for each of you and the unique contributions you make to the ASPE South Florida Chapter. Join us in celebrating our members with birthdays and work anniversaries this month!

OCTOBER BIRTHDAYS

OCT 02	Eric Slay
OCT 04	Greg Quintana
OCT 11	Rashidi Lee
OCT 12	Scott Smith
OCT 15	Daton Ulett
OCT 18	Carlos Rivera
OCT 21	David Erickson
OCT 25	Jarrett Sammel
OCT 27	Feroz Bhamani
OCT 29	Corey Pruneski

Wishing you a fantastic year ahead!

OCTOBER MEMBER ANNIVERSARIES

2 YEARS	Jose Perez
4 YEARS	Mario Gutierrez, PE
6 YEARS	Durvall Pedro
6 YEARS	Scott Smith
12 YEARS	Andre Leslie
22 YEARS	Juan Gonzalez

Thank you

for your continued dedication and for being an essential part of our chapter's success!

CELEBRATING Our People

CONNECT. EDUCATE. ADVOCATE.
