About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

Presidents Report

Report from San Diego.

It is with great pleasure to tell you that the 1st Annual Sporting Clay Tournament was an overwhelming success. For those of you who were not there, you missed out on a great event.

With every success, there are a multitude of people who helped make work. With that being said, I want to thank our Tournament Sponsors:

Platinum Sponsor – McWane Industries

Gold Sponsor – Carr Company

Lunch Sponsors – Marsh & Moore, Rheem, Specified Sales

Raffle Sponsor – Navien

Beer Sponsors – CBM Concepts, Jomar, Liberty Pumps, & RCI Engineering

Bag Sponsor – Spirit Group

Sign Sponsors – Victaulic & Viega

I also want to take the time to thank our chapter officers for all that they contributed to make this event successful. When we decided to hold the tournament, each of them knew that they would need to devote a lot of time in getting this off the ground. I am proud to report that they went above and beyond the call of duty. This group of officers has a real good chemistry and are working hard to make this chapter successful. So, my deepest thanks to all of you for being there and making this event a great one.

As we enter this holiday season, I think about how much we all must be grateful for. The fact that we have all survived a pandemic and are moving forward to social and economic recovery is something that shows nothing can slow us down. Each of us has personal things that we can be appreciative of as we look at the year behind us and start planning for the year ahead. So, on behalf of the ASPE South Florida Chapter Officers, I want to extend a safe and happy holiday season to all.

Elvira Pita-Mejia — Chapter VP-Technical

Happy Holidays everyone! We hope you all enjoyed Thanksgiving with your family and are gearing up for the festive holiday season.

I am happy to report that our first in person meeting last month was a success. We would like to thank all of you that attended as well as our speaker Vince Scriboni. In addition to moderating our meeting as our chapter president, Vince presented on how ***Building Envelope Exterior Penetrations Are Affected by ICC 2014 and 2015/2018 IECC.***

November was a busy month for our chapter. Not only did we hold our monthly meeting on the 2nd Thursday of the month, we also had our first South Florida ASPE Clay Shoot tournament on November 19, 2021. There were more than 70 people in attendance. Please make sure to check out all the pictures from the event on our website: <https://aspemiami.com/>.

December 9, 2021 - December Holiday Happy Hour. This month the ASPE South Florida Chapter will be hosting a Holiday Happy Hour to kick-off the holiday season in style! There will be music, drinks, and appetizers. Make sure to join us on November 9th, 2021 from 6:30pm-9:00pm at the Tommy Bahama Marlin Bar ([150 N Pointe Dr, Dania Beach, FL 33004](#)). Registration is easy and is available on our ASPE South Florida chapter website: <https://aspemiami.com/>

New Green Plumbing Design On-Demand Certificate Program. Did you know that the ASPE popular Green Plumbing Design (GPD) certificate program *is now available entirely on demand on ASPE Education*. The new self-paced online program will enable you to earn your GPD certificate at your own speed, in your own timeframe. For more information, please click here: <https://education.aspe.org/products/green-plumbing-design?zs=L3bla&zl=395p2>

September 16-21, 2022 - The 2022 ASPE Convention & Expo. The biennial ASPE Convention & Expo is the only event designed to enhance the professional development, technical education, and career growth of plumbing system design professionals, combining professional development sessions with the largest plumbing product tradeshow in the country. The 2022 ASPE Convention & Expo will be held September 16–21 at the Indiana Convention Center in Indianapolis, and registration will open in the spring. To be notified when registration opens, visit expo.aspe.org.

David Erickson — Chapter VP-Membership

Greetings Members,

I trust everyone was able to reflect on what they able to accomplish for the year, personally I was able to grow professionally and personally by moving closer to my family and old friends. Thanksgiving for me was a great time to spend with my family and reflex on how fortunate I am to have them in my life.

Now onto business...as of today we have 66 Members. We continue to see growth in our numbers and hope to see some new members from those who attended the Sporting Clay Tournament.

If you did not see the latest email from ASPE National there was an announcement that ASPE's online membership renewal system is being upgraded! Starting Monday, November 15, the entire system will be enhanced and streamlined for all members, and for those who are members of multiple ASPE Chapters, you will be able to renew all of your Chapter memberships online.

If you want to join multiple Chapters, you will have that option online as well. Just a reminder, home Chapter membership dues are \$190 annually and additional Chapter membership dues are \$80 per Chapter annually. If you have any questions, please contact membership@aspe.org.

Thank you for reading and have a great day,

Legislative News

Enrique (Henry) Salvador—VP-Legislative

Hello and greetings to everyone. I hope everyone had a Happy Thanksgiving.

This past month has been an active, exciting, and very busy one. Just by the number of cars and congestion on the roads, seems to be a sign that things are getting back to normal.

This month was the 1st time I traveled outside of the United States for vacation in a couple of years. Other than the mask requirements when indoors, extra forms at the airport and providing a negative covid test to return home, I can say that traveling was just like before. The people were friendly and happy to see travelers back in their country.

We also had our 1st Annual Sporting Clay Shooting Tournament this month. This did take time to plan and organize. It was a great fund-raising event. I spoke to several participants the following week and they said they really enjoyed themselves at the Quail Creek Sporting Ranch in Okeechobee Florida. The food was amazing.

I am working on my report on the changes to the NFPA 99 2018. I have been very involved in the understanding of these changes and feel that they will better improve the way we design systems.

I want to wish everyone a happy and safe holiday season.

Sincerely,
Henry Salvador

Thank you to all the Sponsors of the 1st Annual ASPE South Florida Clay Shoot. We had a great turnout of 72 people. The skies were clear, and the rain held off so we could enjoy the day blowing up some sporting clays. The pulled pork sandwiches sponsored by Specified Sales Associates, Rheem, and Marsh & Moore, were OFF THE HOOK!

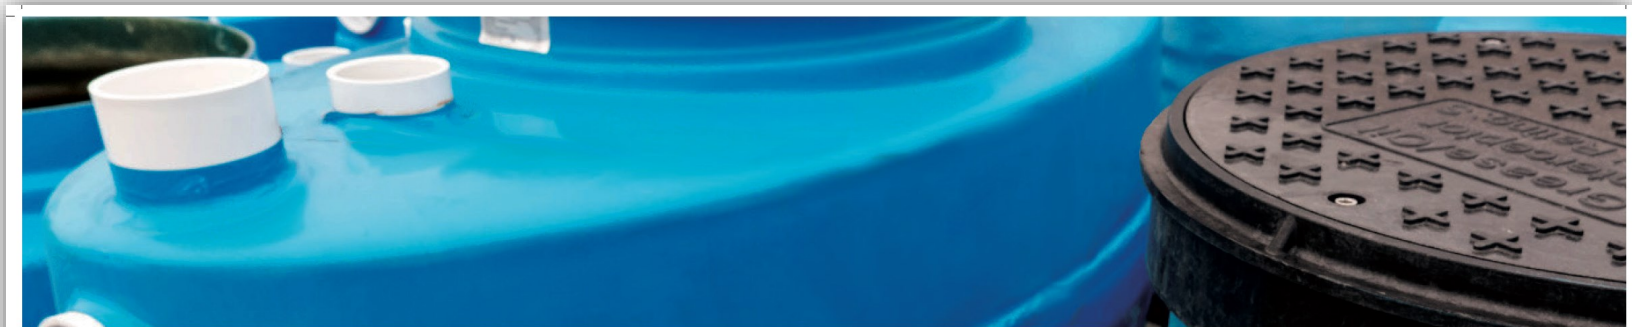

Congratulations to the winning team, Scooters Revenge (sponsored by McWane) made up of engineers from EXP! Congratulations to runner up Team Navien made up of KAMM Consulting engineers from Fort Pierce!

We had a bunch of raffle prizes sponsored by Navien, so not only did people take home a packed ASPE grab bag (sponsored by Spirit Group), but most people went home with an additional goodie. A very special thank you to everyone for coming out and enjoying a fun filled day.

Don't be left out! Become a Chapter Sponsor and get involved. Contact me for more details.
