About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

The SOUTH FLORIDA NEWS is a publication of the South Florida Chapter of the American Society of Plumbing Engineers. The Society or Chapter assumes no responsibility for any advertisements, statements by any officer or member which may be construed as an approval or disapproval, or official position of the Society, of the material contained herein. Presidents Report

David Erickson — President

Greetings Members,

Our meeting in March was the largest attended with 24 attendees, Bart Ransom from Colmac Water heater had a great presentation on large scale commercial heat pump water heaters. we had a couple of more people order ASPE S FL badges, please see me at our next meeting to get your badge ordered.

Our January meeting will be held on Thursday April 11 at Famous Dave's BBQ in Doral, this month's presentation will be on laboratory corrosive waste piping systems using thermoplastic materials.

Our Chapter is constantly looking for individuals to help us to become bigger, better, stronger and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Special Acknowledgements

- I would like to recognize Emilio Sorondo for stepping up and assisting Elvira with the ASPE S FL Website process and updates. Emilio has been attending meeting for quite some time and has recognized the value of coming to the meeting. He has grown his relationship with members while attending and understands the importance of keeping the chapter moving forward and keeping its members up to date via the website. When you have an opportunity, please thank Emilio for the hard work that he does for your chapter.

New Members

Below are our new members that have joined over the past 30 days, please take time to speak with them at our next meeting to get to know them better.

VICE PRESIDENT, TECHNICAL REPORT

Greetings to our Plumbing Industry Family. Once again, I am happy to report our March meeting was a great success. A big thank you to Bart Ransom, Sales Manager and Sr. Application Engineer at Colmac Water-heat for presenting and sponsoring our meeting. The presentation covered commercial heat pump water heater application fundamentals.

April 11, 2024 – ASPE South Florida Chapter – April 2024, Technical Meeting

Join us this month as Julian Fascio, Application Engineer for Ipex will be presenting on Laboratory Corrosive Waste Piping Systems. The meeting this month will be held on Thursday, April 11, 2024, at Famous Dave's Doral Florida.

The evening will start with a social hour from 6-7pm followed by dinner and a technical presentation.

For more information and to register, please click here:

April 15-26, 2024 – ASPE CPD EXAM

We would like to wish good luck to all those taking The Certified in Plumbing Design (CPD) exam this month!

The Certified in Plumbing Design (CPD) program is an international certification program for engineers and designers of plumbing systems. Completion of the CPD program and examination confers upon the successful candidate the designation Certified in Plumbing Design (CPD). The certification program provides the profession, the plumbing industry, and the general public with a single, comprehensive qualification of professional competence for engineers and designers of plumbing systems.

Making the most of your ASPE Membership

MEMBER BENEFIT TIP #9 - ACCESS YOUR ASPE ACCOUNT Accessing your ASPE account has never been easier. Visit aspe.org and click on the LOG-IN tab in the upper right-hand corner. If you know your username or email address and your password, enter them and you will be done. If you do not know your username and password but know your email address, click on the “Request a New Password” tab. A temporary password will be sent, but be sure to change it when you log in. If you do not know your username, you can try your last name followed by your member number, just the digits. For example: jones12345. Having trouble logging in to your ASPE account or you can’t remember your member number? No worries. Your Chapter Vice President, Membership has a roster with this information. Call or email them and they will be happy to help you access your account.

MEMBER BENEFIT TIP #10 - MEMBERSHIP RENEWAL ASPE has made it easier than ever to renew your membership. Log in to aspe.org as you ordinarily do and then to the left of the login button is a green “Join/Renew” button. Just click and you’ll be renewed in no time. NOTE: If you have lapsed for more than 90 days, your account was purged from the membership database, and you will need to reapply for membership.

MEMBER BENEFIT TIP #11 - SPECIAL-INTEREST GROUPS ASPE Young Professionals (AYP) is designed for young industry professionals looking to meet with peers to share experiences, exchange ideas about the plumbing design industry, and network with other Chapter members. The focus of AYP is to help young plumbing engineers, design professionals, and practitioners establish contacts and further the mission of the Society. ASPE members 35 years old and younger are all included in this special-interest group. The core mission of the Women of ASPE (WOA) is to engage, retain, and advance women in the plumbing design industry, through education, leadership development, and networking opportunities. WOA is committed to bringing together women and assisting them to achieve their professional and personal goals.

All the best,

Our gratitude goes out to the sponsors of our 2024 ASPE chapter and bowling tournament. If you're interested, we still have available bronze sponsors. This sponsorship provides the opportunity to have your company featured in all ASPE advertisements for the entire year. Showcase your business by taking advantage of the fantastic opportunity to place a half-page advertisement in the South Florida chapter newsletter. This incredible advertising package will run for a full year, ensuring maximum exposure for your brand.

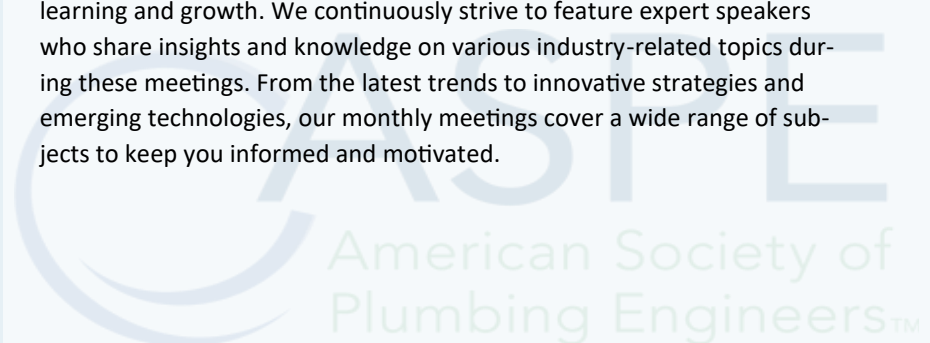

To learn more about this amazing opportunity, feel free to reach out to our board. They will gladly provide you with all the necessary information you need to make an informed decision. Alternatively, you can contact me directly for assistance.

By utilizing this advertising offer, you can reach a wide audience of professionals and potential customers in the South Florida area. Our chapter newsletter is distributed widely and read by numerous individuals who are actively involved in various industries.

This advertising opportunity not only promotes your business but also supports our chapter's initiatives and events throughout the year. When you advertise with us, you not only gain valuable exposure but also contribute to the success of our community.

Do not miss this incredible chance to enhance your brand and connect with a specific audience. Take action now and secure your place in our South Florida chapter newsletter. We eagerly await your contact and look forward to collaborating. We are excited to see you at our future events and our monthly meetings. Your presence and active participation greatly impact our organization. Our monthly meetings offer networking opportunities, collaboration, and knowledge sharing among industry professionals.

These meetings aim to build a sense of community and create chances for learning and growth. We continuously strive to feature expert speakers who share insights and knowledge on various industry-related topics during these meetings. From the latest trends to innovative strategies and emerging technologies, our monthly meetings cover a wide range of subjects to keep you informed and motivated.

Affiliate Liaison Report

Aside from our monthly meetings, we also host various events throughout the year. These events serve as a platform to celebrate achievements, acknowledge exceptional contributions, and nurture connections with industry peers. We firmly believe that by participating in our monthly meetings and attending our future events, you will enhance both your professional knowledge and skills, and develop valuable connections with industry peers. Through these interactions and collaborations, we collectively bring about positive change and make a lasting impact in our field. So mark your calendars and make sure to join us at our upcoming monthly meetings and events.
