About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

The SOUTH FLORIDA NEWS is a publication of the South Florida Chapter of the American Society of Plumbing Engineers. The Society or Chapter assumes no responsibility for any advertisements, statements by any officer or member which may be construed as an approval or disapproval, or official position of the Society, of the material contained herein. Presidents Report

David Erickson — President

Greetings Members,

July is Birthday month for America, I trust you will enjoy the celebration on the 4th with family and friends. Be safe and most of all thank a service person, 1st responder, for what they do for America daily.

I would like to thank the BOD, sponsors, members, guests, wife's, Tru Hotel, photo crew, DJ, program company, desert company, and the swag bag company for coming through without a single issue, what a fantastic time on Friday June 16.

As the S. FL Chapter continues to move forward, evolving, and grow so will our Board. At this time Feroz has taken retirement from the BOD but if I know this gentleman correctly, he will be back helping in some capacity before we know it. I would like to welcome Jorge Megias for transferring from the Central FL Chapter to become our Administrative Secretary while Freddy Hernandez takes on the Chapter Ambassador. Kyle Stottlemeyer is now our money man, treasurer that is, sorry no personal loans. Henry will be moving into our Chapter Historian; the remainder of the board will remain in place.

Our summer break is here so we won't be meeting until Thursday September 14th at Famous Dave's in Doral for a presentation by Nick Martinek from Guardian. Scroll down to Elvira's article for additional information.

Our Chapter is constantly looking for individuals to help us to become bigger, better, and stronger and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Special Acknowledgements

- **The South Florida BOD**-The level of effort that this group puts out every day, week, month, year to contribute to the success of the members professional growth is amazing. Hours and hours of hard work without any push back. I would like to give you all a little insight; after the celebration was over and clean up began, I think the Board Members had as much fun as they did during the party. A serious close nit group of people, thank them for their work next time you talk to them.

Elvira Pita-Mejia — Chapter VP-Technical

VICE PRESIDENT, TECHNICAL REPORT

While the ASPE South Florida Chapter is officially “on summer break” behind the scenes the work never stops. We are currently working on booking presenters for our 2023-2024 term.

If you would like to showcase your expertise in plumbing system design by presenting at our 2023-2024 ASPE technical meetings, please make sure to contact me at:

epita@spiritgroupinc.com

September 14, 2023, ASPE South Florida Chapter – September, 2023, Monthly Technical Meeting

Here is a sneak peek on what to come for the next ASPE term. Our first presentation is on Safety by Design - Protecting Employees Through the Design of ANSI/OSHA-Compliant Emergency Technology. The presentation will focus on:

- Occupational Safety and Health Administration (OSHA)
- History and Legal Impact
- ANSI/ISEA Z358.1-2014
- History, Regulations and General Considerations
- Emergency Equipment Styles
- Designer Responsibilities
- Design Challenges and Solutions

Our presenter is Nick Martinek. He is the Southeast Regional Manager with Guardian Equipment. Before Guardian he was with GEDA USA as a sales manager for temporary construction products. GEDA USA is a German rack and pinion elevator manufacturer. He received his degree in Mathematics from East Texas Baptist University where he also played shortstop for the baseball team. After graduating, he was a high school math teacher and baseball/football coach for 8 years. Nick currently lives in the Houston, TX area and the territory he covers for Guardian is the southeast U.S.

Technical News

The evening will start with a social hour from 6-7pm followed by dinner and technical presentation at Famous Dave's in Doral, FL. Registration is easy and is available on our ASPE South Florida chapter website:

Membership Corner

Scott Smith — Chapter VP-Membership

Thank you to everyone that participated in and/or attended the ASPE 50th Anniversary this past Friday evening. Thank you to all the manufacturers, manufacturers' representatives, contractors, and other industry associations that sponsored the chapter and those that sponsored the event. We could not have had such a successful event without your support.

The South Florida construction community is very large, but it amazes me how some people seem to know everyone. How do they do it? Have they lived here their entire lives? Do they have a personal life or is life all about working for them? When you stand back and observe, you'll see these people are active in their industry. They are on job sites, in contractors' offices, in Wholesalers offices, and at multiple industry trade shows each year. They are networking and active in the industry. When you need help speaking with someone specific, these people can introduce you. These people are valued by all the trades.

If you want to improve YOUR brand, be a part of the industry. Step 1 - join the South Florida ASPE chapter. We've seen phenomenal growth in the past few years but room for many more. We have over 100 members. Our monthly meetings see outstanding member participation. It doesn't matter if you are new to the industry or a seasoned professional, there is a place for you at South Florida ASPE chapter.

All the best,

Scott Smith

Admin. Secretary Report

Jorge Megias—Administrative Secretary

I'm very honored and fortunate to continue my service as an ASPE board member. Over the years I have served as Newsletter Editor, VP Membership and Affiliate Liaison, in the South and Central Florida Chapters. And since 2016 in the Central Florida Chapter, until now accepting this new role in the South Florida Chapter.

My experience with ASPE dates to 1979 when I was working for Kohler Co. Thereafter, I continued my involvement during my professional career in wholesale management and sales, as an independent manufacturer's representative and now working again directly for a manufacturer.

*"The best way
to find yourself,
is to lose yourself
in the service of others."*

~ Mahatma Gandhi

Officially I now begin my new position. As secretary I will strive to:

- Keep our membership informed of key items covered in our BOD meetings.
- Keep our membership informed of monthly meeting attendance, presentation updates and/or information and other pertinent news.

- Help maintain and improve communications with all members.

I am very fortunate to have been elected to the board during the chapter's 50th year. My wife and I were able to attend our recent celebration. What a great venue and awesome event! Congratulations and thanks to the BOD for all the hard work and time invested to make the 50th anniversary celebration a night to remember. This chapter has made great strides in the past couple of years... It's my intention to help the BOD continue to serve our membership and support the plumbing design industry in South Florida.

Be on the lookout... The best is yet to come!

God bless!

Thank you,

Jorge Megias
Administrative Secretary

Affiliate Report

Josh Barnhart—Affiliate Liaison

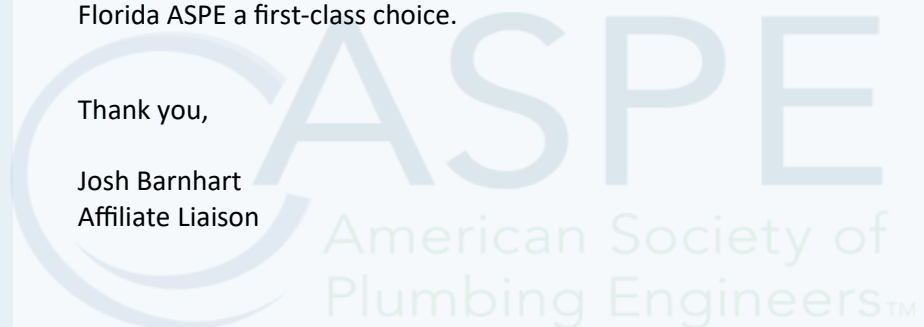

The South Florida ASPE Chapter had an incredible month of June, with a successful 50th Anniversary event for South Florida. Amazing BOD members working together with vendors and details to showcase ASPE in South Florida for the building industry, and we added a new chapter member. We have been fortunate to have great industry talent, that sees the value in participating, and supporting members of local South Florida chapter from Engineering firms, contractors, and manufacturers.

We want to recognize for the month of June our new chapter sponsorship for South Florida ASPE. Thank you from the BOD to “Circuit Solver” for being a Bronze Member for South Florida ASPE. Through the end of June, we currently have five Platinum Sponsors, four Gold Sponsors, seven Silver Sponsors, and four Bronze sponsors. This shows an amazing amount of growth for the ASPE South Florida Chapter. Your commitment and support are greatly appreciated by the chapter members.

Also, we would like to recognize our sponsors for the 50th Anniversary Event that took place in June. Thank you to **Apollo Valves**, **Bob Smith Plumbing**, and **McWayne Plumbing** for sponsoring the Liquor. Thanks to **Tanks Direct & VIEGA** for sponsoring the swag bag, **George Fischer** as our photo booth sponsor, **Harry Warren**, **MiFab**, as entertainment sponsor, **Marsh & Moore** as Dessert Sponsor, **Borkat Plumbing**, **Broward County FAPGMI**, **Dixie Plumbing**, **FAPGMI**, **Jordan Permit Expediting**, **Paradise Plumbing**, and **Right Way Plumbing** as booklet sponsor. Your generosity to the chapter, and recognizing how important 50 years as ASPE chapter, to celebrate a great milestone, says a lot about you all. Please contact Scott Smith scott@ssafla.com and Josh Barnhart jbarnhart@carrcompany.com, regarding questions with membership changes. We are here to make your experience with South Florida ASPE a first-class choice.

Thank you,

Women of ASPE

Elvira Pita-Mejia — WOA Liaison

WE HAVE A WINNER!

Last month the WOA awarded Nora Ureche a scholarship to attend ASPE's 2023 Tech Symposium in Bellevue, Washington, to promote the importance of fostering the growth and professional development of women in the field of engineering. The scholarship will cover expenses up to \$3000, which includes a one-year membership renewal, full registration to the Tech Symposium, any special events, round-trip airfare, hotel accommodations, airport transportation and meals.

Nora is a Plumbing Designer at HGA Architects & Engineers in Milwaukee, Wi. We look forward to having you join us.
Congratulations Nora!

WOA was created to engage, retain, and advance women in the plumbing design industry through education, leadership development, and networking opportunities.

The group is committed to bringing women together and assisting them in achieving their professional and personal goals. To help achieve this mission, last year Delta® Commercial sponsored the extremely successful Women of ASPE Leadership Forum during the 2022 ASPE Convention & Expo in Indianapolis as well as an interactive virtual workshop to discuss the importance of leadership.

Education Update

Kyle Stottlemeyer—Education Chairman

Hope everyone is having a great summer so far! It has been exceptionally HOT!!! Please stay hydrated and in shade! We had an amazing turnout for the 50th anniversary! We could not have been successful without YOU!! And our SPONSORS!! Thank you so much!!

Our chapter continues to grow, please keep spreading the good word and inviting fellow colleagues and friends to our technical meetings which will start back up in September. We have some exciting things on the horizon, please stay tuned for upcoming events. We will be looking to fill our open spots for our monthly technical meetings. So if you or your company might be interested in presenting, or might know anyone that is, please feel free to reach out to Elvira or myself and we can get you registered.

Going forward if anyone has any questions or would like to share any hot topics that might be informational to our viewers, please feel free to drop me an email @ kylestottlemeyer@gmail.com.

Thank you for taking time out to read each month's articles.

Kind regards,

Administrative Secretary Report

Alfredo Hernandez — Administrative Secretary

ASPE Celebrates 50 Years of Plumbing Engineering Excellence!

The American Society of Plumbing Engineers (ASPE) recently celebrated its 50th anniversary, and it was a memorable experience for all who participated. The event was a testament to the hard work and dedication of the organization, which has been at the forefront of plumbing engineering for five decades.

One of the highlights of the event was the 50/50 raffle, which raised \$675. The lucky winner of the raffle was Billy Smith, who generously donated \$337 back to the chapter. This was a wonderful gesture and a true reflection of the spirit of giving that ASPE embodies. We would like to express our heartfelt thanks to all the sponsors who made this event possible, and to Jill Ann for taking the Raffle “where’s the boat”. Thank you to everyone who participated in the raffle.

The event was also an opportunity to reflect on the achievements of ASPE over the years. Since its inception in 1964, ASPE has been dedicated to advancing the science of plumbing engineering and promoting the professional development of its members. Today, ASPE is recognized as the premier organization for plumbing engineering professionals, and its members are found in countries all over the world.

ASPE has been instrumental in shaping the industry by developing codes and standards, conducting research, and providing education and training. The organization has also been a strong advocate for water conservation and sustainability and has worked tirelessly to promote the use of efficient plumbing systems.

The 50th anniversary event was a celebration of all that ASPE has accomplished, and a reminder of the work that still needs to be done. We are committed to continuing our mission of advancing plumbing engineering and promoting the highest standards of professionalism. We would like to invite anyone who shares our passion for plumbing engineering to join us in this important work.

As we look to the future, we are excited about the opportunities that lie ahead. We are confident that with the support of our members, sponsors, and partners, we will continue to make a difference in the world of plumbing engineering. We hope to see you at the top, and we encourage you to reach out to us if you are interested in coming on board with ASPE. Together, we can create a better, more sustainable future for everyone.

Thanks,

Freddy Hernandez
Administrative Secretary
