About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

The SOUTH FLORIDA NEWS is a publication of the South Florida Chapter of the American Society of Plumbing Engineers. The Society or Chapter assumes no responsibility for any advertisements, statements by any officer or member which may be construed as an approval or disapproval, or official position of the Society, of the material contained herein. Presidents Report

David Erickson — President

Greetings Members,

June is here and has multiple meanings for the ASPE S FL Chapter. New Board of Directors for the upcoming year, last meeting before our summer break, and this meeting is special because we will be celebrating 50 years that the chapter has been estab-

lished.

The summer is upon us, but this doesn't mean that we are not looking into the future months with new and exciting technical dinner meetings, these meetings will start in September, so we are working hard on topics of interest, securing speakers, and locations. Our Chapter is constantly looking for individuals to help us to become bigger, better, and stronger and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Special Acknowledgements

- **Trent Sorensen**-Regional Product Educator for STRIEM, Trent had a solid presentation on Design and Sizing Considerations for Oil Separators, Solid Interceptors, and Acid Neutralization Tanks. One thing that sticks out to me about Trent's presentation is the amount of feedback and questions he received during the presentation. Trent had a large amount of people wanting to talk to him after his presentation too.
- **Elvira Pita-Mejia**-Elvira is a strategic part of the S FL ASPE Chapter and at her day job Spirit Group. Elvira has been on the BOD before I joined, and she has the expertise that has helped me, and other board members become better board members and professionally sound. I want to say thank you for the long hours that you put in and congratulations to your son for graduating High School this year. Please find time out of your busy schedule to thank Elvira for what she does for our industry.

New Members

Below are our new members that have joined over the past 30 days, please take time to speak with them at our next meeting to get to know them better.

- Avil Groden at Services Engineering Inc
- Niles Morton at Tanks Direct

VICE PRESIDENT, TECHNICAL REPORT

SUMMER IS HERE!

I want to wish our ASPE community a wonderful summer and that you can enjoy all it has to offer. We look forward to seeing you all at our ASPE South Florida Chapter 50th anniversary party on June 16, 2023.

I want to thank all the manufacturers that presented and sponsored our monthly technical meetings. Your support is an integral part of the success of our Chapter.

A special thank you this month to Trent Sorenson (Regional Product Educator) with Striem who presented at our May meeting on the Design and Sizing Considerations for Oil Separators, Solid Interceptors, and Acid Neutralization Tanks.

CALL FOR PRESENTATIONS!

If you would like to showcase your expertise in plumbing system design by presenting at our 2023-2024 ASPE technical meetings, please make sure to contact me at:

CONGRATULATIONS TO THE NEW CPD PROFESSIONALS

Did you know that more than 90 industry professionals successfully passed the 2023 Certified in Plumbing Design (CPD) exam and now are eligible to use the CPD designation after their names?

We would like to congratulate our very own Gregory Quintana. CPD for being one of those professionals.

The CPD program, which is the only international credential program in the plumbing engineering field, sets the standard for leadership within the industry and provides formal recognition of outstanding professionals with advanced skills in the design and specification of plumbing systems.

Membership Corner

Scott Smith — Chapter VP-Membership

The American Society of Plumbing Engineers (ASPE) is a professional organization that aims to advance the plumbing engineering profession through education, training, and networking. Networking within the ASPE provides members with numerous benefits, including access to industry leaders, the latest technology and developments in plumbing engineering, and professional development opportunities. Networking within the ASPE creates a community where members can share knowledge, ideas, and experiences, allowing members to stay up to date with industry changes and advancements. Through networking events, members are exposed to new products and ideas in plumbing engineering and can learn about emerging trends in the industry. ASPE networking events also provide members with the opportunity to connect with professionals at all stages of their career, from early career professionals to experienced industry leaders. This exposure to a range of professionals allows members to learn from their peers, gain new perspectives, and develop relationships that can help them further their careers in plumbing engineering. Another benefit of networking within the ASPE is access to professional development opportunities, such as continuing education courses and training programs. These programs allow members to improve their skills and knowledge, and stay current with the latest industry regulations and best practices. Networking within ASPE is an essential part of building a successful career in plumbing engineering. It offers members access to industry leaders, emerging trends, and professional development opportunities. If you are not an ASPE member, what's holding you back from joining right now?

Women of ASPE

Elvira Pita-Mejia — WOA Liaison

As we close out our ASPE South Florida Chapter 2022-2023 year we want to take this opportunity to thank Delta Commercial. Delta is the exclusive sponsor of the Women of ASPE (WOA) special-interest group. WOA was created to engage, retain, and advance women in the plumbing design industry through education, leadership development, and networking opportunities. The group is committed to bringing women together and assisting them in achieving their professional and personal goals. To help achieve this mission, last year Delta® Commercial sponsored the extremely successful Women of ASPE Leadership Forum during the 2022 ASPE Convention & Expo in Indianapolis as well as an interactive virtual workshop to discuss the importance of leadership.

Education Update

Kyle Stottlemeyer—Education Chairman

Hope everyone is healthy, busy and ready for summer! Looking forward to our upcoming 50th year anniversary of our South Florida ASPE chapter, check out the WEB site to reserve your spot. The location for the 50th anniversary is at Tru Hotel by Hilton Pompano Beach Pier 200 North Ocean Blvd. Pompano Beach, FL 33062.

Our chapter is growing & growing, please keep spreading the good word and inviting fellow colleagues and friends to our technical meetings which will start back up in September. Again, there will be NO Technical meeting until September as this month we are celebrating our 50th anniversary.

Going forward if anyone has any questions or would like to share any hot topics that might be informational to our viewers, please feel free to drop me an email @ kylestottlemeyer@gmail.com.

Thank you for taking time out to read each month's articles.

Kind regards,

Kyle Stottlemeyer

Administrative Secretary Report

Alfredo Hernandez — Administrative Secretary

Hello ASPE members! We are thrilled to announce our upcoming 50th anniversary celebration on June 16, 2023. If you haven't already, please secure your tickets or reach out to us for more information about attending. Our recent May meeting at Sergio was a huge success, and we want to extend a special thanks to Trent Sorenson from Striem for delivering an exceptional presentation. With 26 attendees and Feroz Bhamani winning the 50/50 raffle for the amount of \$50, it was a memorable event. We can't wait for what's next and hope to see you all at our next gathering.

Thanks,

Freddy Hernandez
Administrative Secretary
