About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

The SOUTH FLORIDA NEWS is a publication of the South Florida Chapter of the American Society of Plumbing Engineers. The Society or Chapter assumes no responsibility for any advertisements, statements by any officer or member which may be construed as an approval or disapproval, or official position of the Society, of the material contained herein. Local Chapters are not authorized to speak for the Society.

ASPE Connect: One of the Best Things ASPE Has Done in Years

- Since the launch of ASPE Connect—the hottest online community for plumbing industry professionals—thousands of plumbing engineers and designers from around the world have benefited from its shared knowledge and expertise on a daily basis. In our Open Forum, you can get quick answers and advice from numerous experts, often within minutes. ASPE Connect is free for ASPE members and we also offer a 30-day

Presidents Report

David Erickson — President

Greetings Members,

Our meeting in February was the largest attended with 39 attendees, Jim Cika with the ICC presented on the new 2023 plumbing codes, we had a couple of more people order ASPE S FL badges, please see me at our next meeting to get your badge ordered.

Our March meeting will be held on Thursday, March 14th 2024, at Maggiano's Little Italy-Boca Raton 21090 St. Andrews Blvd. Boca Raton, FL. 33433. The subject will be on LARGE Scale Commercial Heat Pump Water Heaters by Bart Ransom with Colmac Waterheat.

Our Chapter is constantly looking for individuals to help us to become bigger, better, stronger and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Special Acknowledgements

- I would like to thank the entire ASPE S FL BOD for their accomplishments to make the chapter as successful as it is, they are consistently on the hunt for new subject matter for the technical meetings, and constantly on the hunt for a meeting location that will benefit the members of this chapter. Please thank them at the next meeting for donating the personal time to help the chapter and its members grow professionally and personally with the network of industry professionals.
- I would like to recognize Freddy Hernandez for accepting the VP Affiliate position and moving forward by continuing the high level of enthusiasm that past VP Affiliates have had to keep the members of this chapter engaged. Freddy has expressed interests in continued growth of affiliate members and sponsors for the S FL Chapter. When you have an opportunity, please thank Freddy for the hard work that he does for your chapter.

New Members

Below are our new members that have joined over the past 30 days, please take time to speak with them at our next meeting to get to know them better.

South Florida February Technical Meeting

Technical News

Elvira Pita-Mejia — Chapter VP-Technical

VICE PRESIDENT, TECHNICAL REPORT

Calling all speakers!!!! We are currently looking for speakers for our 2024-25 ASPE calendar year. If you are interested in presenting or have ideas on what we should be presenting on, please contact us at epita@spiritgroupinc.com.

A big thank you to Jim Cika for presenting on the most recent changes to the Florida Building Code, Plumbing at our February 9, 2024 technical meeting. It was one of our most well attended meetings.

March 14, 2024 – ASPE South Florida Chapter – March 2024, Technical Meeting

This month we are excited to have Bart Ransom from Colmac Water Heat presenting on Large-Scale Commercial Heat Pump Water Heaters. This month we are holding our meeting Maggiano's Little Italy Restaurant in Boca Raton, Florida.

The evening will start with a social hour from 6-7pm followed by dinner and a technical presentation.

For more information and to register, please click here:

April 15-26, 2024 – ASPE CPD EXAM

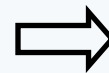

Time is running out to register for the April, 2024 CPD Exam.

This year the deadline to register for the CPD exam is April 1, 2024. To receive registration link, please fill out the eligibility form by March 31. The Certified in Plumbing Design (CPD) program is an international certification program for engineers and designers of plumbing systems. Completion of the CPD program and examination confers upon the successful candidate the designation Certified in Plumbing Design (CPD). The certification program provides the profession, the plumbing industry, and the general public with a single, comprehensive qualification of professional competence for engineers and designers of plumbing systems.

[Many members of our engineering community find great value in getting their CPD certification. Make sure to attend this month's meeting where you can find out firsthand what some of the advantages are from our CPD certified members](#)

Making the most of your ASPE Membership

MEMBER BENEFIT TIP #6 - MEET POTENTIAL CLIENTS/MEMBERS

If you are an Affiliate member, in sales, who steps up and takes on a membership role, you are in a unique position to promote ASPE and your company. Your leadership role is a valuable way to place yourself in front of prospective clients and members. Talk to your Chapter Board of Directors and see what you can do to promote yourself and ASPE.

MEMBER BENEFIT TIP #7 - LEARN HOW TO MENTOR OTHERS

ASPE has mentor opportunities so you can help foster the career of another member. Opportunities are available for all members. Just click on Mentoring Program under Membership & Global Community on aspe.org for more information. Leave your mark on our Society.

MEMBER BENEFIT TIP #8 - ADD LETTERS TO YOUR NAME We all market ourselves every day with everything we do, and ASPE can help with programs that can add letters to your name: our Certified in Plumbing Design (CPD), Certified Plumbing Design Technician (CPDT), and Green Plumbing Design (GPD) programs. These programs will help others instantly recognize your leadership and expertise in the plumbing design industry.

All the best,

"Some people see things that are and ask,

'Why?'

Some people dream of things that never were and ask,

'Why not?'

Some people have to go to work and don't have time for all that."

~George Carlin

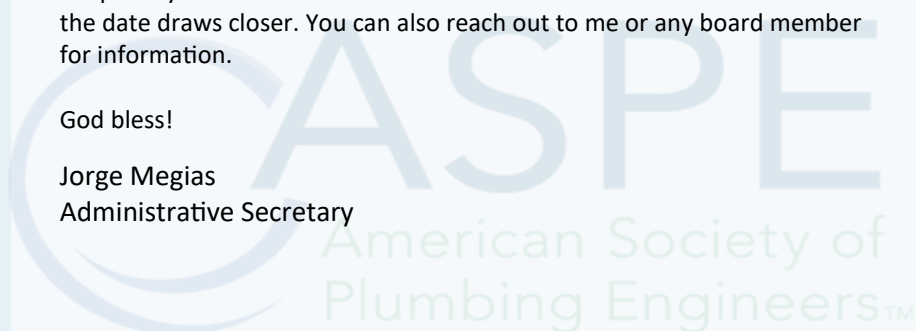

Our chapter continues to support our industry and its members in Miami-Dade, Broward and Palm Beach counties. Currently, our next meeting is planned for Thursday March 14th at Magianno's Little Italy.

Lanes have been reserved for June 13th Bowling and Table Top Show at Bowlero, we have significantly increased the amount of sponsors and participants.

Keep an eye out for notices in future newsletters for more information as the date draws closer. You can also reach out to me or any board member for information.

God bless!

Affiliate Liaison Report

Alfredo Hernandez — Affiliate Liaison

ASPE South Florida is excited to welcome three new sponsors for the 2024 chapter: McWane, Plumbing Contractors Association (PCA), and PSI Engineered Solutions. These companies are all leaders in their respective industries, and their support will help ASPE South Florida continue to provide its members with the resources and support they need to succeed.

McWane is a leading manufacturer of ductile iron water and wastewater pipe, valves, hydrants, and fittings. The Plumbing Contractors Association is a business tool that helps improve the plumbing industry and businesses. It's also a recognized continuing education sponsor for the CILB and Miami-Dade County. The association is open to independent licensed plumbing contractors who are actively involved in the maintenance, installation, or repair of plumbing or heating. Kohler is a global leader in kitchen and bath design. They are known for their plumbing products, which include faucets, sinks, showers, and toilets. Kohler also offers design services, such as working with professional designers to update or remodel a space. PSI Engineered Solutions is a leading provider of engineering, design, and construction services.

"We are grateful for the support of our new sponsors," said ASPE South Florida. "Their commitment to ASPE South Florida and our members is a testament to the value of our organization and the work we do."

ASPE South Florida is a professional association for plumbing, heating, cooling, and mechanical contractors. The organization provides its members with a variety of resources and support, including education and training, networking opportunities, and advocacy.

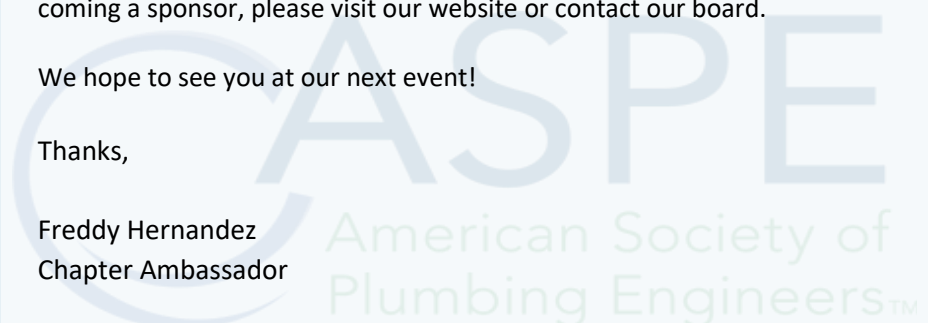

ASPE South Florida is also committed to giving back to the community. The organization supports a variety of charitable causes, including the ASPE South Florida Foundation, which provides scholarships to students pursuing careers in the plumbing, heating, cooling, and mechanical trades.

If you are interested in learning more about ASPE South Florida or becoming a sponsor, please visit our website or contact our board.

We hope to see you at our next event!

Thanks,

Freddy Hernandez
