Keep up to date with everything ASPE on the [ASPE Pipeline](#).

About ASPE

The American Society of Plumbing Engineers (ASPE) is the international organization for professionals skilled in the design, specification and inspection of plumbing systems. ASPE is dedicated to the advancement of the science of plumbing engineering, to the professional growth and advancement of its members and the health, welfare and safety of the public.

The Society disseminates technical data and information, sponsors activities that facilitate interaction with fellow professionals, and, through research and education, expands the base of knowledge of the plumbing engineering industry. ASPE members are leaders in innovative plumbing design, effective materials and energy use, and the application of advanced techniques throughout the world.

The SOUTH FLORIDA NEWS is a publication of the South Florida Chapter of the American Society of Plumbing Engineers. The Society or Chapter assumes no responsibility for any advertisements, statements by any officer or member which may be construed as an approval or disapproval, or official position of the Society, of the material contained herein. Local Chapters are not authorized to speak for the Society.

ASPE Connect

ASPE Connect: One of the Best Things ASPE Has Done in Years

- Since the launch of ASPE Connect—the hottest online community for plumbing industry professionals—thousands of plumbing engineers and designers from around the world have benefited from its shared knowledge and expertise on a daily basis. In our Open Forum, you can get quick answers and advice from numerous experts, often within minutes. ASPE Connect is free for ASPE members and we also offer a 30-day trial for nonmembers, so what are you waiting for...Click below

Presidents Report

David Erickson — President

Greetings Members,

May is a very important month for ASPE; this month is Chapter Election Month to vote in your Board of Directors for next year. Our Chapter is constantly looking for individuals to help us to become bigger, better, and stronger and to provide our members with educational opportunities to

grow professionally.

I personally look at this society as my second family and want nothing more than to have our members feel like they are positive contributing factors to our industry.

Special Acknowledgements

- **Cary Caldwell**-Southeast Regional Manager for Liberty Pumps who was kind enough to reschedule his time due to Mother Nature's decision to water all south Florida in a 48-hour period. Cary revised his schedule to conduct a virtual presentation which focused on wastewater pump sizing, applications, and configurations.
- **Henry Salvador**-Chief Plumbing Inspector for the City of Fort Lauderdale. Henry has been extremely instrumental on multiple occasions for the past couple of years for the Board of Directors through selling 50/50 raffle tickets at Technical Dinner Meetings and committing countless hours of voluntary work at events. Next time you see Henry please thank him for what he does for this chapter.

New Members

Below are our new members that have joined over the past 30 days, please take time to speak with them at our next meeting to get to know them better.

- No new members to report on this month

Open Positions on the South Florida Chapter

- The following positions are still open and need to be filled so if you are a member in good standing, please contact one of the BOD for additional information: Corresponding Secretary, Chapter Website Administrator, Chapter Historian, Chapter Ambassador.

May Technical Meeting

Our next Meeting will be at **Sergio's, 13620 Pines Blvd, Pembroke Pines, FL 33027, on Thursday May 11th at 6 pm.** For more information, please scroll down to Elvira's newsletter.

Annual Sponsorships

- Vendors, we need your help to get your 2023 commitment so we can continue to include you with advertising in the newsletter and on the website. There were sponsorship changes in March so it would be fantastic to secure your spots now. Please contact Scott Smith scott@ssafla.com as he will be heading this up with the help of Josh Barnhart jbarnhart@carrcompany.com

50th Anniversary Party

- Friday June 16th at Tru by Hilton Pompano Beach Pier 200 North Ocean Blvd. Pompano Beach, FL. 33062. We will be sending out a Save the Date Flyer to provide more information.
- The entire BOD is working hard to make sure we all have a great experience and an event that we can talk about for years. I am excited to attend, and I hope you will be there to celebrate as well.

3rd Annual Sporting Clay Event

- The 3rd annual Sporting Clay Shoot at Quail Ridge in Okeechobee, FL; will be on Friday Nov. 17th Stay tuned for future updates as we work with the venue for a start time.

ASPE Pipeline

- If you missed the latest e-blast on the ASPE Pipeline here is the hyperlink, there is great information on here for: AHR Expo / ASPE Tech Symposium / March Workshops on Domestic Hot Water Design and Basic Fire Suppression / Membership Matters by Jason McDonald / and other Industry News. <https://www.aspe.org/pipeline/>

Elections

The chapter will be holding an election in May which will allow any member that is in good standing the ability to run for a position on the Board of Directors. If you are interested in running for a position, please get back to me by the end of business on Friday May 5th so I can add you to the ballot.

The current positions that we will be voting on are as follows:

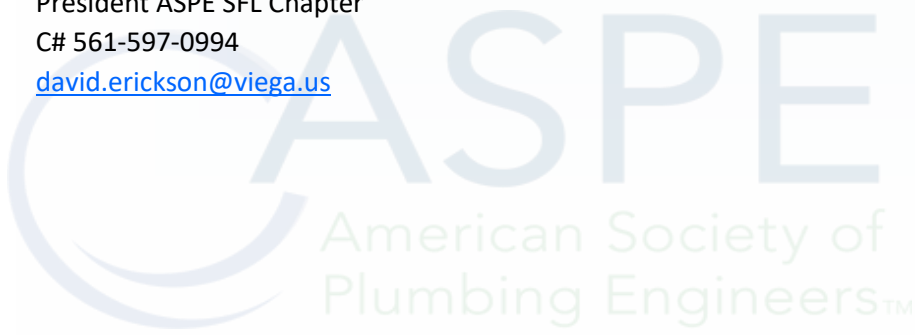

- President David Erickson
- VP-Technical Elvira Pita-Mejia
- VP-Legislative Henry Salvador
- VP Membership Scott Smith
- Treasurer Feroz Bhamani & Kyle Stottlemeyer
- Administrative Secretary Freddy Hernandez

Presidents Report

- Corresponding Secretary OPEN
- Chapter Affiliate Liaison Josh Barnhart
- Chapter Education Chair Kyle Stottlemeyer
- Chapter AYP Liaison Al Salas
- Chapter Woman of ASPE Liaison Elvira Pita-Mejia
- Chapter Newsletter Editor Al Salas
- Chapter Fund Raising Chair Scott Smith
- Chapter Historian OPEN
- Chapter Web Master OPEN
- Chapter Ambassador OPEN

Thank you for reading and feel free to reach out to me or any of our BOD if you have any questions or know of someone who is interested in joining the chapter and may need help to navigate through the process.

Technical News

Elvira Pita-Mejia — Chapter VP-Technical

With our last technical meeting of the ASPE 2022-2023 year closely approaching I would like to take the opportunity to reflect on what a great year it has been. Our Chapter has grown immensely thanks to the support of our community of engineers, contractors, wholesalers, building officials, and manufacturer's representatives.

Last month Cary Caldwell from Liberty Pumps did an amazing job presenting on Wastewater Pumps, Control Panels and Systems. Thank you, Cary and Liberty pumps, for supporting our Chapter.

CALL FOR PRESENTATIONS!

If you would like to showcase your expertise in plumbing system design by presenting at our 2023-2024 ASPE technical meetings, please make sure to contact me at:

epita@spiritgroupinc.com

May 11, 2023, ASPE South Florida Chapter – May, 2023, Monthly Technical Meeting

This month Trent Sorenson (Regional Product Educator) with Striem will be presenting on the Design and Sizing Considerations for Oil Separators, Solid Interceptors, and Acid Neutralization Tanks.

The evening will start with a social hour from 6-7pm followed by dinner and technical presentation at Sergio's Restaurant in Pembroke Pines, FL. Registration is easy and is available on our ASPE South Florida chapter website:

[ASPE Miami Chapter - Meeting/Event Information](#)

June 8-11, 2023, MedGas Workshop

Registration is open for the next MedGas Workshop at Rinnai America Corp. in Peachtree City, Georgia. This new workshop fulfills the training requirements for the new ASSE 6060: Medical Gas Systems Designer professional certification. Attendees will enjoy all of the benefits of our 32-hour in-person workshop, which include:

- Personal interaction with our expert instructor, Mark Allen
- Team-based, hands-on activities
- Practical design exercises with calculation examples
- ASSE 6060 practice exam
- Copy of NFPA 99-2021: Health Care Facilities Code
- Quizzes to test knowledge retention
- Calculator and supplies for hands-on exercises
- Lunch, drinks, and snacks each day
- 1.2 ASPE CEUs

Membership Corner

Scott Smith — Chapter VP-Membership

The American Society of Plumbing Engineers, or ASPE, was founded in 1964 in response to a growing need for a professional association dedicated exclusively to the advancement of plumbing engineering. At the time, there was no organization that specifically addressed the unique challenges and issues facing plumbing engineers, such as the development of new technologies, the growing complexity of building codes and regulations, and the need for more effective collaboration and communication between engineers, contractors, and manufacturers. Since its inception, ASPE has grown into a thriving community of plumbing engineers from all over the world, with chapters in over 40 countries and a membership of over 6,000 professionals. The Society serves as a valuable resource for engineers, providing education, networking opportunities, and access to the latest research and industry trends. One of the greatest benefits of joining ASPE is the opportunity to stay informed about the latest developments in the field of plumbing engineering. Through its publications, conferences, and educational programs, ASPE helps its members stay up-to-date on the latest trends, technologies, and regulations in the industry. Members can also participate in specialized committees and task forces that focus on specific areas of interest or concern, such as sustainability, medical gas systems, or plumbing codes and standards. ASPE also provides a forum for networking and collaboration among plumbing engineers, contractors, and manufacturers. Members can connect with others in their field through local and national events, online forums, and social media. These connections not only help engineers stay informed about the latest developments in the field but also provide opportunities for collaboration, mentorship, and professional development. Overall, the American Society of Plumbing Engineers has played a crucial role in advancing the profession of plumbing engineering over the past several decades. Through its dedication to education, collaboration, and innovation, ASPE has helped its members stay at the forefront of an ever-changing industry, and continues to provide valuable resources and support to plumbing engineers around the world.

All the best,

Scott Smith
Chapter VP-Membership

Legislative News

Enrique (Henry) Salvador—VP-Legislative

I am submitting this article to the members and Board of the South Florida ASPE Chapter as a notice of my resignation from the position of ASPE VP Legislative. It has been a wonderful two years and I am grateful to have been a part of this association and have enjoyed holding the position of VP Legislative. I would like to thank the South Florida ASPE Chapter for letting me be a part of the Board.

I am also proud to have worked with some of the most dedicated members of this Association. Most Associations I belong to have full time paid directors that do all of the day to day work. Our Chapter is a board of Engineers, Manufacturers and Building Officials that volunteer their time. This Board is one of the most hardworking group of individuals I have ever worked with.

The South Florida ASPE Chapter has grown and expanded its membership to all of the industry related to Plumbing. The VP Legislative position and monthly presentations have helped me in my career by allowing me to meet and speak with a variety of Manufacturers and Engineers. The presentations every month are top notch; not only do they take care of the Chapter Business, but they enjoy doing it.

I will miss the work and challenges related to being on the board and I will continue to be a member and support the association as best as I can in the future.

Thank You,

Henry Salvador
VP-Legislative

Josh Barnhart—Affiliate Liaison

The South Florida Miami ASPE Chapter, had an incredible month of April, adding new chapter sponsorships, and sponsorships for upcoming 50th Anniversary event coming up June 16th. We are very fortunate to have great industry talent, that see's the value in participating, and supporting members of local chapter.

We want to recognize for the month of April, our new chapter sponsorships South Florida Chapter. Thank you from the BOD, to CALEFFI, ZURN, and CARR Company, for signing up as 2023 chapter sponsorship members. Your commitment and support are greatly appreciated. Also, we would like to recognize our sponsorships for 50th Anniversary for the month of April. Thank you to Viega LLC for sponsoring the swag bag, FAPGMI booklet sponsor, and Marsh & Moore Photo Booth sponsorship. Your generosity to the chapter, and recognizing how important 50 years, to celebrate a great milestone, says a lot about you all.

Please contact Scott Smith scott@ssafla.com and Josh Barnhart jbarnhart@carrcompany.com, regarding questions about sponsorships. We are here to make your experience with South Florida ASPE a first-class choice.

Thank you,

Josh Barnhart

Education Update

Kyle Stottlemeyer—Education Chairman

Hope everyone is healthy, busy and dried out from all of this rain!. Lots coming up, we have finalized our location for the upcoming 50th year anniversary of our South Florida ASPE chapter, check out the WEB site to reserve your spot. Our chapter is growing & growing, please keep spreading the good word and inviting fellow colleagues and friends to our technical meetings. This month's meeting will be at a new location: Sergio's Cuban/American Kitchen, 13620 Pines Blvd. Pembroke Pines, FL 33027, 954-381-7711. As always, this will be the second Thursday of the month, May 11, 2023 from 6:00-8:00, we ask that you please reserve your spot as soon as you can by signing up on the web site <https://aspemiami.com/meetinginfo.php>. This month's presentation covers three product categories in the pretreatment tank space: oil separators, solid interceptors, and acid neutralization tanks. Areas to be presented on are:

1. Why the tanks are needed
2. Applications where they are used
3. Materials of construction
4. Tank sizing methods

Presented by Trent Sorenson who is a Regional Product Educator with Striem.

Hope to see everyone there!

Going forward if anyone has any questions or would like to share any hot topics that might be informational to our viewers, please feel free to drop me an email @ kylestottlemeyer@gmail.com. Please see below. Thank you for taking time out to read each month's articles.

Kind regards,

Kyle Stottlemeyer
Education Chairman

- 4 **New High Flow Recovery Pump**
- 5 **New Digital Controller**
- 6 **New Multiple Tankless Options**

Multiple Sizes

- 7 **New 80 or 119-Gallon Tank Options**

WHERE SMART PERFORMANCE MEETS QUICK INSTALLATION

DuoSmart™
TANK TECHNOLOGY

- Optimized pump design for increased flow and faster recovery
- DuoSmart® Digital Controller for precise temperature control and integrated recirculation – no aquastat needed
- Free system sizing with 100% guarantee
- Gas swivel flex line rotates 360° for 36", 180° radius connection to gas line
- Factory installed gas dirt leg
- Factory installed electrical access
- Lighter weight for easier handling
- Pre-assembled condensate drain

Pre-installed Electrical

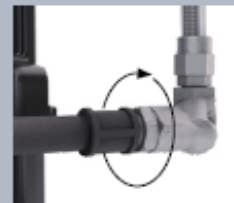

DuoSmart® Digital Controller

High Flow Recovery Pump

Two-way Gas Line Rotation for Easy Installation

AYP Report

Alcides Salas — AYP Liaison

Hey Young Professionals!

WE WANT YOU TO JOIN OUR GROUP!

ASPE Young Professionals (AYP) is dedicated to the needs of plumbing engineers and designers 35 years old and younger. Your local ASPE Chapter has been busy organizing exciting opportunities designed to help you excel in your career, including: Partnerships with other associations, Social and networking events, Educational offerings, Mentoring programs, And more!

The AYP special interest group is designed for young industry professionals looking to meet with peers to share experiences, exchange ideas about the plumbing design industry, and network with other chapter members. The focus of AYP is to help young plumbing engineers, design professionals, and practitioners establish contacts and further the mission of the Society.

Thanks,

Al Salas

Administrative Secretary Report

Alfredo Hernandez — Administrative Secretary

The American Society of Plumbing Engineers (ASPE) is gearing up for its 50th anniversary event, and the board is excited about all the final details coming together. As a community of professionals dedicated to advancing the plumbing engineering profession, ASPE has been a driving force in the industry for half a century. This milestone event is an opportunity to celebrate and reflect on all the progress made over the years.

One of the highlights of the anniversary event will be spending time with everyone who has contributed time and resources to ASPE over the years. From board members to sponsors to chapter members, this community is made up of dedicated professionals who share a commitment to advancing the plumbing engineering profession. If you're interested in joining this community, don't hesitate to reach out to one of the board members for more information.

Speaking of board members, ASPE is currently looking for new members to join the team. Serving on the board is a great way to get more involved in the organization and help shape its future direction. If you're passionate about plumbing engineering and want to give back to the profession, consider applying for a position on the board.

Thanks,

Freddy Hernandez
Administrative Secretary
