David Erickson — President

Greetings Members,

Summer is officially in the books and Fall has taken over, cooler nights and cloudy days are more abundant, but this beautiful tropical area of south Florida remains green and full of life and opportunity to grow personally

and professionally.

Our September meeting was a success with 24 people gathering at Famous Dave's in Doral, this month we set our sights for a new venue at Maggiano's Little Italy 21090 St. Andrews Blvd. Boca Raton, FL. 33433. I look forward to this meeting. We will have a great presentation from Watts by Alex Porter on Flow Based Sensor Technology Water Leak Detection Systems for Commercial Applications. We will have great food, and we will have the ASPE family together to again breaking bread, enjoying beverages, and networking.

Our Chapter is constantly looking for individuals to help us to become bigger, better, and stronger and to provide our members with educational opportunities to grow professionally. If you have any topics or locations that would benefit our meeting, please reach out to any of our board members.

Jorge Megias—Administrative Secretary

Our year continues to be great... already getting into Q4 of 2023. We have our membership to thank for great meetings and participation. The last meeting at Famous Dave's in Doral was another successful event... here are some highlights of the evening:

- Total attendance of 24... With more than half sending RSVP. We appreciate getting your RSVPs, which allows us to properly plan for your needs.
- Great presentation by Troy Monteith, Southeast Regional Sales Manager with Guardian on Safety by Design – Protecting Employees.
- Social Hour Beverage covered by Viega LLC and Sioux Chief
- Our 50/50 yielded \$220, won by our own Alcides Salas, who donated the proceeds back to the chapter... THANKS AL!
- Our RSVP winner was Chris Rubolck

There is great excitement growing around our next major event, the annual Clay Shoot. With most if not all sponsorships sold it promises to be a great time. We have already many teams signing up... Don't wait since there is limited capacity.

Alcides Salas — AYP Liaison

Hey Young Professionals!

I hope everyone is doing well and wish all our members a great last quarter of the year!

I would like to inform that I will be resigning from my position as AYP Liaison for the South Florida ASPE Chapter. With this being said, I will remain as the Chapter Newsletter Editor and an active ASPE member, always supporting this amazing group of people.

This also means, the chapter is actively looking for a young professional with the desire and drive to lead young members into joining our networking events to meet with peers to share experiences, exchange ideas about the plumbing design industry, and network with other chapter members.

The focus of AYP is to help young plumbing engineers, design professionals, and practitioners establish contacts and further the mission of the Society. ASPE Members 35 years old and younger are all included in this special interest group.

For more info please feel free to contact one of the members on the board via email at president@aspemiami.com or vptechnical@aspemiami.com.

Thanks,

Al Salas
